Summary

Motivated final-year Computer Science Engineering student at Chitkara University with a strong foundation in full-stack development, data structures, and algorithms. Recognized for leadership, adaptability, and effective teamwork. Currently working as a Software Engineer Intern at Orange Business Services, focusing on window related software application.

Experience

Software Engineer Intern

May. 2025 – Present

Orange Business Services

Gurgaon, India

- Developed and maintained **ASP.NET web applications** using **C#** for server-side logic.
- Implemented **ADO.NET** for database connectivity, supporting efficient data retrieval and storage.
- Designed, created, and managed **relational databases in SQL Server**.
- Performed **CRUD operations** (Create, Read, Update, Delete) and ensured data integrity.
- Wrote and optimized **SQL queries** to improve application performance.
- Implemented **data validation and basic error handling** in backend logic.
- Debugged and resolved **application-level, database-related, and runtime issues**.
- Assisted with **deployment, configuration, and troubleshooting on IIS Server**.

Projects

Chat Bot Application | Node.js, Express.js, JavaScript

2024

- Developed an intelligent chatbot application that responds to user queries using pre-defined JSON-based knowledge storage
- Added dark/light mode support using vanilla JavaScript to enhance user experience and accessibility

Let'sGO | MongoDB, Express.js, React, Node.js

2024

- Built full-stack platform enabling university students to book electric vehicles with secure JWT-based authentication
- Designed responsive UI using React and Material-UI promoting sustainable transportation

Technical Skills

Programming Languages: C#, Java

Backend Technologies: ASP.Net, MySQL, REST APIs

Frontend Technologies: React, HTML, CSS

Tools and Platforms: Git, GitLab, Docker, OpenShift, Jira, IIS server

Achievements

LeetCode Coding Challenges | Consistency Badges

- Earned badges for successfully completing 50-day and 100-day continuous coding challenges
- Participated in 10+ coding contests, consistently performing in top coding club in my college

Bits 'N' Bytes Club, Chitkara University | Discipline Head

- Recognized for leadership excellence and promoted to Discipline Head, contributing to effective team coordination and club operations
